

REPUBLIC OF SEYCHELLES
CONSULATE

We hereby confirm that a Latvian non-citizen travel document that is passport-sized is treated as a Passport by Seychelles Immigration, so the holder does not need a Visa for tourist visits up to a maximum of 90 days, subject to the standard Seychelles Immigration procedures and requirements. In summary these are that a Visitor's Permit is granted on arrival free of charge and this is valid for 30 days. It can be extended locally for two further periods of 30 days, still free of charge, but beyond 90 days fees apply. A visitor must have accommodation arranged before arrival, the non-citizen travel document must be valid for the length of their intended stay, they must hold a return or onward travel ticket, and they must show they have sufficient funds to sustain themselves for the length of their stay – reckoned to be US\$150/- per day, but that includes the cost of accommodation.

Given under my hand and stamp of the Republic of Seychelles Consulate, London, on this nineteenth day of August 2013.
